President's Message

MAKE OR BREAK NOT "SHAKE AND BAKE"

My Fellow Kiwanians:

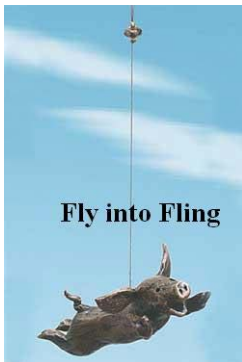

With that ominous introduction let me be very serious for a moment. The time is upon us – it is make or break time financially for our club. It is also Make or Break time for the programs our

club want to sponsor. The community wants to help – we just have to give them the opportunity. Steve tells me that sales of advertising and donations for the auction are down this year. So guess what – there is only one other way we can increase the return for Spring Fling. Sell out tickets.

I have thought about why I have not done a better job in selling tickets in the past. As you know personality wise I am sort of a passive guy. I could never make a living as a salesman. I hate approaching friends and neighbors feeling I am stretching our relationships. And to have to make a “Cold Call” (as they say in the trade); would put me under the table. Working in a government position prevented me from approaching co-workers for ticket sales – it also gave me an out. And now, heck, I don't even live in the Chester Area. “I hate the feeling of being rejected!” So what have I got to do?

I have to start thinking **positive** about Spring Fling: or as the proverbial optimist would say; “Think of it as an Opportunity not a Liability”. It is an opportunity for both you and the community to serve the children of Chesterfield and the World that surrounds us. If a friendship is so tenable that asking some one to help a child in the community would affect that relationship negatively: it is not much of a friendship.

I admit it is hard for me. There are rumblings in the Club that we should look to alternative

sources of funding – that the competition for Spring Fling type events, like Golf Tournaments, have become too numerous. President-Elect Jay, myself and the Board will have to investigate the future of Spring Fling as a part of our funding, but for now **it is the animal we have to work with.** And we

have to **work hard** to make it a Success. Your and My role now? As Spring Fling Co-coordinator Steve so aptly puts it: **SELL TICKETS!**

Uncle Ron

SPRING FLING IS HERE!

Time to make one last push for ticket sales. Turn in your money to Joan Benton (530-8000) no later than noon Thursday. After noon on Thursday, any ticket sales should be reported directly to Steve for inclusion in the final count which is due by noon on **Friday**. We will make a SMALL allowance for tickets sold over the weekend, but please do all of your active solicitation by Thursday so that we can get as accurate a count as possible.

We cannot stress too strongly how important it is for EVERYONE to sell as many tickets as possible and to turn in the money OR report the sales as detailed above before the end of this week. Right now our paid sales total just 433 tickets! That's just over half of what we need to make budget and continue funding our programs at last year's level. We can do it, but we can't do it without YOU!

Thanks and good luck!

Steve!

Dinner with Indy!

Our club sponsors the [Anthem Gurney Tourney](#) which will be held Saturday September 29th. This year, we will be donating \$1,000. On Thursday, June 28th at 7:00 PM, there will be **Dinner with Indy**. It's a fast paced evening of pit crews and pit-smoked barbecue. Hot drivers and cool music. Autographs and auctions of FANTastic Indy racing items. Slot car racing, IndyCar simulators, and action-packed contests and games. All in the fabulous new TORQUE Club high atop the Richmond International Raceway. Tickets are \$50.00 per person. But just like the drivers, they'll be going really fast. For tickets call 804-828-2901 or contact the HHH Development Office at info@hhhrichmond.org.

INTERCLUB

Mary Lykins has arranged for an inter-club meeting with the **Colonial Heights Kiwanis Club**. It will be held at the Colonial Italian

Restaurant located at 1 Dunlop Village in Colonial Heights at 12:30 PM on Wednesday June 13. Guest speaker will be Jordan Rebekkah Forbes, a candidate for Miss Virginia.

Please contact Mary Lykins at: Home 862-7264 or Cell 687-3022 if you wish to attend.

INPUT NEEDED

Your comments could help **Curtis Elementary** get \$15,000 in funding for playground improvements. Tina Seal, PE teacher at Curtis Elementary, asked for the Club's support in refurbishing their playground. We provided her with info on several corporations that could fund that type of project. One was Hamburger Helper. Ms. Seal submitted a proposal and Hamburger Helper is considering their project. To WIN - Curtis Elementary needs people to add positive/supportive comments about their proposed project.

At the bottom of this website you can read the project description and post your comments:

<http://www.myhometownhelper.com/ViewProject.aspx?tell=2&id=24734> .

Hamburger Helper bases their decision on what to fund by the comments. And if you have any friends who might want to add their support, pass this on.

Contact: David Elsworth.

Postage stamp saved this month:

To commemorate the bicentennial of the official launch of the Lewis and Clark expedition, the U.S.

Postal Service issued three 37-cent self-adhesive stamps. One stamp features an image of the two valiant leaders of the expedition

standing on a promontory surveying the countryside, available in a pane of twenty stamps. Unfortunately, the postage has gone up again, and you can no longer obtain the 37 cent commemorative stamps at local post offices. If you could, we would have saved the ubiquitous two-cent stamp as well.
